Current/Previous Experience

The Methodist Church Town Street, Chapel Allerton, Leeds LS7 4NB	Life drawing classes, Since October have been running and organising weekly evening classes out of the Love that I have for Teaching and Life drawing. I have had within under a year over 200 people who have come to my classes and workshops. Where people learn to draw from life using various graphic materials and teaching methods. These are now running on a regular basis on a Monday and Thursday evening	Date 5 th Oct 2009	Too present	Self employed	
Life Drawing Workshop Facilitator, Leeds and Hebden Bridge	What has become hugely apparent was the lack of opportunity for people to work for extended periods of time from a life model. So I decided to create these workshops in mind. I organise, promote and run very successful 6hr workshops in both Hebden Bridge and Leeds and saltaire. Over 24 people attend my workshops where they learn to draw from life through a series of exercises designed to build up confidence and drawing techniques which I have personally invented.
